

## About Goda Farm

Founded in 2016, Goda Farm is a responsible Farmer Producing Organization (FPO) helping food-sourcing companies to procure the best farm produce with sustainable agricultural practices. Our success is backed by our expertise in Farming, Trading, Processing and Manufacturing, and Finance and Advisory Services. Sound knowledge of the farming techniques, consumer needs and agriculture-related regulatory framework enable us to provide end-to-end services to our clients.

Key Highlights:

- 10 Years of Heritage
- 15K Farmers Connected
- 50 Locations in Maharashtra

We take pride in being a socially-conscious business working closely with farmers who employ latest farming methods to boost production and quality of agricultural produces. We support our network of farmers with sustainable packaging ideas, technical guidance, outreach events and improved profitability in exchange of quality produce for the end consumers.
